

## EMPOWERING NON-PROFITS WITH CLEAR COMMUNICATION

### Why It Matters

Non-profits often operate on tight budgets, serve diverse communities, and need real-time communication—especially during emergencies. Regroup’s mass notification platform empowers your organization to stay connected, confident, and responsive.

### Tailored Solutions for Non-Profit Challenges

- **Multi-Channel Reliability:** Send and receive alerts via text/SMS, text-to-speak, voice, email, and push notifications. Use preconfigured quick messages for fast, 2-tap encrypted messaging to individuals, groups, or your entire network
- **Inclusive Outreach:** Automatically translate any message to be delivered in over 130 languages based on recipients’ device settings to every message is understood.
- **Engage & Grow Your Community:** Use opt-in tools like text-to-join, QR code scanning, and keyword sign-ups to expand your audience and keep them engaged.
- **Budget-Friendly & Scalable:** Enjoy a cost-effective, feature-rich platform tailored for non-profits—from small local groups to large humanitarian organizations, with pricing that scales as you grow.

“For Coastal Horizons, Regroup has become more than a notification platform; it’s a bridge that connects every one of us, no matter where we are or what challenges we face. During emergencies, it provides peace of mind. In daily operations, it provides structure and efficiency. And through it all, it reminds us that readiness isn’t just about reacting to crises; it’s about being connected before they happen.”

– IT Application Specialist, Coastal Horizons

## Powerful Features That Drive Impact

Feature	Benefit
Real-Time Reporting	Monitor message delivery and engagement with detailed logs for continuous improvement.
Automated Weather Alerts	Integrates with NOAA/NWS to distribute severe weather alerts to your audience automatically.
Flexible Admin Controls	Assign multiple administrators to ensure swift, coordinated responses across locations.
Robust Integrations	Integrate with your existing CRM, social channels, and other systems for easy data management.
Geofence Messaging	Target alerts to help people respond correctly based on their location, or when they are entering or exiting an alert area.
Unlimited Custom Groups & Templates	Create unlimited message templates and organize contacts into groups for fast, consistent communication tailored to your needs.

## Tailored Communication Solutions for Non-Profits of All Types Empowering every mission with smarter, faster communication.

Regroup's mass notification platform is designed to meet the unique needs of non-profit organizations. Whether you're coordinating volunteers, responding to emergencies, or promoting community events, Regroup helps you stay connected and effective.

- **Community Services:**

Boost outreach and engagement with real-time notifications for events, fundraisers, and volunteer opportunities, keeping your community informed and involved with ease.

- **Humanitarian Aid:**

Coordinate disaster response and resource distribution with precision, utilizing geo-fencing and automated alerts to reach the right people at the right time.

- **Environmental Organizations:**

Support environmental campaigns and manage alerts for natural disasters or climate-related events. Keep teams and supporters informed during critical moments.

- **Educational Non-Profits:**

Ensure timely communication with students, parents, and educators. Share program updates, schedules, and emergency notifications with confidence.

- **Healthcare Non-Profits:**

Distribute urgent health updates and safety information to staff, patients, and volunteers, maintaining trust and transparency during public health initiatives.

- **Religious Organizations:**

Stay connected with your congregation. Share service updates, event reminders, and emergency alerts to foster a strong, informed community.

- **Arts and Culture Organizations:**

Promote events, coordinate volunteers, and ensure safety during performances and public gatherings to keep your audience engaged and your team organized.

## Why Regroup Stands Out
